BOIL WATER NOTICE LIFTED

Date: September 5, 2026

TO: Residents of Marina Road, Ponce De Leon Road, Ellison Moore Road, and Blue Creek Drive

Taylor Coastal Water & Sewer District is pleased to announce that the **Precautionary Boil Water Notice has been officially lifted** for the areas listed above.

Following the recent water main break and repairs, the required bacteriological testing has been completed. Test results confirm that the water meets applicable drinking water standards and is safe for normal use and consumption.

Customers in the affected areas **no longer need to boil their water** before drinking, cooking, brushing teeth, making ice, or other normal household uses.

Taylor Coastal Water & Sewer District appreciates the patience and cooperation of our customers throughout the repair and testing process.

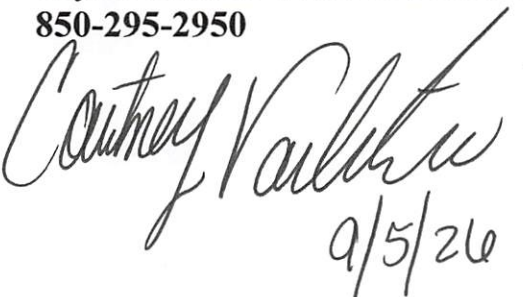

For questions, please contact:

Courtney Valentine

District Manager
